## Parent-Child Play Group

Just What You Have Been Looking for!

The Lynnwood Parent-Child Play Group, Guilderland, is a great place for you and your pre-school children to make new friends, learn new things and become part of the community.

We welcome all parents and care-givers: stay at home, work-from-home or work-outside-the-home; this is a group for you.

We meet every Thursday at 10:00am in the beautiful and spacious nursery at Lynnwood Reformed Church. Our babies and small children learn social skills and play, while parents and caregivers have an opportunity to socialize, make friendships, meet other families and have fun with our children. Some of these include: Parent & Tot Outing, Lunch Bunch, Crafts, Story Time and Playground outings. We are always open to new ideas for activities and welcome your suggestions.

Get to know a small group of parents and children in your community through weekly playtime. We welcome people of all faiths!

Call us today! Or drop in each Thursday at 10am.
